

Covid-19 Advisory

Like everyone, we are concerned about the spread of this virus and following Government advice closely. At the time of writing – and until that advice changes:

- The event will go ahead as planned
- If you are not feeling well, please do not attend
- Follow correct coughing etiquette and cough into your elbow
- Wash your hands thoroughly
- Our refund and transfer policies as noted at <https://runningevents.co.nz> are unchanged
